

TESSOLVE

test is our passion

WELCOME TO ITC 2013

International Test Conference (ITC) 2013
September 10-12, Anaheim, California
Disneyland Hotel, Booth #500

Want to reduce cost of Test? Optimize test time, or parallel tests? Convert from “home brew” tester?

Need to meet all your circuit board design requirements for ATE, eval and other boards?

“LIVE” demo of TESSPOD our ***lowest*** cost test solutions for a wide variety of applications including power management, CMOS image sensors, thermal resistance measurement (TRM), and others.

We look forward to meeting you at ITC Booth #500.
